

Full Detail — Service Checklist

DEEP CLEAN · CLAY · WAX

Workflow: Everything in Express, plus decontamination, wax protection and a true interior deep-clean. Let products dwell — don't rush dwell time.

Customer _____ Vehicle _____ Date _____
Add-ons _____ Vehicle size _____ Detailer _____

1 Setup & walk-around

- ☐ Confirm package + add-ons; photo existing damage
- ☐ Park in shade; set up water, power & mats
- ☐ Remove all trash, mats & loose items

2 Wheels, tires & wells

- ☐ Rinse, apply wheel cleaner, agitate faces/barrels
- ☐ Scrub tires & wheel wells; rinse clean

3 Wash + bug & sap removal

- ☐ Pre-rinse top to bottom
- ☐ Treat bug & sap/tar on front end and lower panels
- ☐ Foam / two-bucket wash; rinse
- ☐ Dry fully with microfiber

4 Clay bar decontamination

- ☐ Apply iron/fallout remover; let it dwell; rinse
- ☐ Clay each panel with plenty of lube
- ☐ Wipe & dry clayed panels — should feel glass-smooth

5 Wax / protect

- ☐ Apply wax (paste or liquid) thin & even
- ☐ Let haze, then buff off with clean towel
- ☐ Final-buff for a streak-free shine

6 Interior deep clean

- ☐ Vacuum seats, carpets, crevices, trunk
- ☐ APC + brushes: door panels, vents, console, seams
- ☐ Clean cupholders, buttons & touch points
- ☐ Floor mats deep-cleaned (scrub / extract)
- ☐ Condition plastics & vinyl — matte, not greasy

7 Jambs & trim

- ☐ Clean door jambs & sills
- ☐ Dress exterior trim & jambs

8 Glass — streak-free

- ☐ Clean all glass in & out
- ☐ Condition interior plastics around glass
- ☐ Check every window at an angle for streaks

9 Final

- ☐ Reinstall mats; remove gear from cabin
- ☐ Full walk-around with customer
- ☐ Payment & review request

Before you leave: hand over keys, walk the finished car together, then ask for a quick 5-star review.
