Add-ons Vehicle size Detailer

1 Setup & walk-around

- ☐ Confirm Signature + any add-ons; photo existing damage
- ☐ Park in shade; set up water, power & mats
- ☐ Remove all trash, mats & loose items

2 Wheels, tires & wells

- ☐ Rinse, apply wheel cleaner, agitate faces & barrels
- ☐ Scrub tires & wheel wells; rinse clean

3 Wash + bug & sap

- ☐ Foam pre-soak, top to bottom
- ☐ Loosen bugs & sap on front end and lower panels
- ☐ Two-bucket wash; rinse, then dry with microfiber

4 Clay decontamination

- ☐ Mist clay lube generously
- ☐ Clay each panel flat until glass-smooth
- ☐ Wipe & dry the clayed panels

5 Double wax protection

- ☐ First coat of paste wax — thin & even; haze & buff
- ☐ Let it cure, then apply a second coat
- ☐ Final-buff for deep gloss

6 Engine bay clean

- ☐ Engine cool; cover battery, fuses & connectors
- ☐ APC + brushes on covers, hoses & bay
- ☐ Light rinse or damp-wipe — keep water off electronics
- ☐ Dry, then dress hoses & covers with trim paste

7 Seat & carpet shampoo

- ☐ Vacuum first; pre-treat stains with APC
- ☐ Spray APC, agitate with a brush
- ☐ Extract with the wet/dry vac until lifting clean
- ☐ Repeat heavy areas; run fans / open doors to dry

8 Interior detail

- ☐ Micro-brushes + APC: vents, seams, buttons, console
- ☐ Clean cupholders & all touch points
- ☐ Wipe plastics & vinyl — matte, not greasy
- ☐ Streak-free glass in & out

9 Jambs, trim & tires

- ☐ Clean door jambs & sills
- ☐ Dress exterior trim & tires

10 Final

- ☐ Reinstall mats; remove gear from cabin
- ☐ Fresh scent (air freshener)
- ☐ Full walk-around with customer
- ☐ Payment & review request

Before you leave: hand over the keys, walk the finished car together, then ask for a quick 5-star review.
