Add-ons _____ Vehicle size _____ Detailer _____

1 Setup & walk-around

- ☐ Confirm package + any add-ons with customer
- ☐ Walk the car with the customer — photo any existing scratches/dents/stains
- ☐ Park in shade if possible; set up water, power & mats
- ☐ Open doors; remove all loose trash & large items

2 Wheels, tires & wells

- ☐ Rinse wheels, tires & wheel wells
- ☐ Apply wheel cleaner; agitate faces, barrels & lug areas
- ☐ Scrub tires & wheel wells with stiff brush
- ☐ Rinse thoroughly, top to bottom

3 Exterior hand wash

- ☐ Pre-rinse whole vehicle, top to bottom
- ☐ Foam / two-bucket wash, top to bottom
- ☐ Final rinse — no soap left in trim/seams
- ☐ Dry with clean microfiber towels

4 Tires & dressing

- ☐ Apply tire shine/dressing; wipe applicator edge to avoid sling
- ☐ Dress wheel wells (optional)

5 Interior vacuum

- ☐ Vacuum seats, carpets, floor & trunk
- ☐ Pull & shake floor mats; vacuum both sides
- ☐ Get under seats and seat rails

6 Quick interior wipe

- ☐ Wipe dash, gauge cluster & vents lightly
- ☐ Wipe console, cupholders & door tops
- ☐ Clean touch points: wheel, shifter, handles

7 Glass — in & out

- ☐ Clean all windows inside & out
- ☐ Clean mirrors; check for streaks at an angle

8 Final

- ☐ Quick wipe of door jambs
- ☐ Reinstall mats; remove your gear from cabin
- ☐ Final walk-around with customer
- ☐ Collect payment & ask for a review

★★★★★ **Before you leave:** hand over keys, walk the finished car together, then ask for a quick 5-star review.
